APPROVAL OF MINUTES:

The minutes of the EIC meeting of 13 February 1962 (EIC-M-95) were approved.

CONSIDERATION OF EIC-R16-S3, A SUMMARY OF THE INTERNATIONAL TRADE AND TRANSPORT OF COMMUNIST CHINA, 1961:

The report, prepared by the two responsible subcommittees, was reviewed on a page-by-page basis. A number of modifications and revisions were proposed and accepted. There was general agreement that the report would be of unusual interest because of recent developments. The Committee expressed its appreciation to the authors for their efforts in producing a good report.

ANNOUNCEMENTS:

The Chairman noted that the annual survey listing of internal and external economic research projects on the Sino-Soviet Bloc and selected non-Bloc areas for calendar year 1961 had recently been disseminated.

The Chairman announced that the Annual Report to the USIB of the Economic Intelligence Committee covering activities during Fiscal Year 1962 would be disseminated to the Committee for its approval during July.

The Chairman <sup>mentioned the consideration</sup> noted <sup>regarding</sup> that there had been discussions at the USIB level <sup>of the USIB</sup> of the Committees of USIB and the possible disestablishment of some of the Committees. The Coordination Staff report <sup>on</sup> regarding Committee structure of the USIB recommended that the EIC be retained. ~~The Chairman pointed~~

DEPARTMENT OF STATE SUGGESTION REGARDING A COORDINATED  
STUDY ON USSR TRADE

*suggested that the EIC ~~issue~~ each year*  
The Department of State representative ~~raised the question of producing~~  
a coordinated and summary study on Soviet trade, ~~and suggested that it be~~  
~~issued each year.~~ It was noted that even though all of this information is  
available it would be more useful if contained in a single document. Several  
members indicated that such a study would be warranted and the Vice Chair-  
*is suggesting it was agreed* *or* *would*
